THE NOVICE ANGLER

REDTAG
SUSTAINABLE FISHING

The excitement of fishing is for all to enjoy whether you are 6 or 60 - the moments of eternity when a seatrout takes to the fly, the quiet summer evenings when the salmon leaps in the stream, or the cold fresh air that surrounds you on an October day - it's all out there...

REDTAG offers you the opportunity to fish the best of Danish rivers for salmon and seatrout. We conduct our activities according to the principle of sustainability protecting our natural resources and the environment as an ingrained part of what we are doing. To us - and maybe to you – fishing is a way of life.

We welcome you to this exciting world of fishing for salmon and seatrout in some of the most pristine and beautiful parts of Denmark and will do our best to make your stay a pleasant and rewarding experience.

Lars Vedsø, **REDTAG**

■ **Fly fishing courses**

We offer courses in fly fishing fishing for salmon and sea-trout in Danish top rivers. Here you will learn to master the techniques of fly fishing, learn how to tie a fly, experience night fishing (seatrout), learn about the beats and much more.

■ **Spin fishing courses**

Courses in spin fishing are for Anglers wanting to take up salmon & seatrout fishing. At our courses you will get an in depth knowledge of the fishing methods, the gear used, learn about the habits and ways of the salmon, get to know the river etc.

■ **Go fish as you please**

Here you are free to design your own fishing trip to Denmark. Just state your preferences and we will do the rest – at affordable prices.

■ **Family fishing adventures**

Family fishing adventures is a 3 day tour, where the whole family will learn how to fish and – who knows – maybe get hooked for life?

■ **Saltwater fishing for seatrout**

In the early months of April and May we offer courses in saltwater fishing for seatrout at 3 hotspots along the Danish coasts.

■ **Week-end courses**

If you only have limited time available, our week-end courses might be the right choice for you.

REDTAG's fly fishing courses are aimed at Anglers interested in beginning to fish for salmon and seatrout with a fly. Courses are conducted along some of the best stretches of the rivers and covers both fishing for spring, summer and autumn salmon.

Our fly fishing courses contains a variety of basic and more advanced fly fishing techniques, focusing on the following issues:

- overhead casting techniques
- how to make effective salmon & seatrout flies
- switch & spey casting
- floating/sinking methods
- the intake
- getting to know the river beats
- ways & habits of the salmon & seatrout

Courses are conducted by river Varde (spring salmon) river Skjern (summer salmon) and river Guden (autumn salmon) and by river Karup (fishing for seatrout). Course duration is 6 days with 5 days of fishing.

You stay in good hotels near the river with all meals included (hotels are certified according to the Green Key environmental standard as far as possible). Also included are fishing licences, a trip to the Danish Center for the Wild Salmon, an organic wine tasting programme (optional), fly fishing instructions, information package & materials.

Should you have any special requests we will be glad to help you out.

Spin fishing is a popular method for engaging the salmon and seatrout, and the majority of fish are actually caught using this method.

This course is designed for Anglers wishing to take up salmon and seatrout fishing and interested in getting a further introduction to the techniques, the various options and tools, fishing tactics etc. The course contents includes among other:

- how to fish with spinners and spoons
- up- and downstream techniques
- wobblers and how to use them effectively
- how to engage the salmon with a spin-fly
- on rods, reels and other gear used
- methods for fishing the various beats in the river
- how to make your own "gravad" fish...and more

Participating in **REDTAG's** spin fishing courses also includes a visit to the Danish Center for the Wild Salmon, where you will see and hear about the Atlantic salmon and what is done to preserve this magnificent fish. Likewise we would like to introduce you to organically grown wines at a Dinner arrangement, where the *Chef* will do his best to serve the ultimate fish dishes for you...

Course duration is 6 days (5 fishing days) and included in the price is 6 days hotel accommodation with full meals and picnicks to take with you to the river, state licence, fishing permits, instructions, tours etc. So everything is provided for to secure a successful stay along our beautiful rivers...

Prices from € 1090,- (fly fishing & spin fishing courses)

For Anglers wishing to fish on their own **REDTAG** ■ offers moderately priced fishing tours, where all is provided for - you just have to enjoy the fishing. Examples includes a 10 day salmon fishing tour-de-force by the rivers Guden, Skjern and Varde, where you will experience the best of Danish salmon waters.

You could also choose a low budget fishing vacation with ■ friends i.e. by river Varde, where you have a 4 bed cabin for yourselves with bath/shower, bed sheets and breakfast included and a whole week of salmon fishing.

Or you could combine salmon fishing with fishing for ■ saltwater seatrout along some of the top places on Djursland. Opportunities are plenty – just state your preferences at our website, and we will be glad to mail you a suggestion for your next fishing trip...

One of the best things to pass on to your children or grand children is a genuine interest for nature – its changing faces during the year, watching the children getting a close encounter with wildlife or simply just being out there. This is what **REDTAG**'s family fishing adventures really is about - passing on the magic of fishing for you to experience and enjoy.

The family fishing adventure is a 3 day tour where you will:

- learn about fishing techniques
- cook your own meals over a hot fire
- find out how to make your own "gravad" fish
- tour down the river in a canoe
- go salmon fishing and more.
